

Dream House

Make a house that comes to life

Light up the oven

Make an oven that you can turn on and off.

Choose a color for your oven to glow.

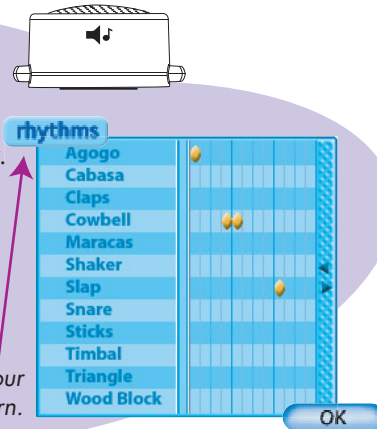

Knock, knock

Create a rhythm that plays when visitors come to the door.

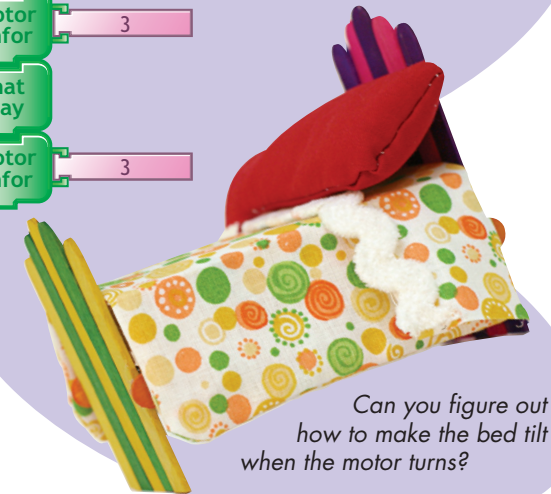

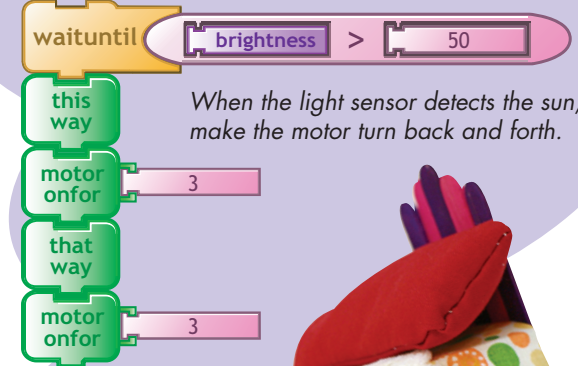

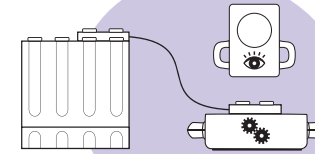

Click to make your own rhythm pattern.

Never oversleep again

Build a bed that tips over when the sun rises.

Can you figure out how to make the bed tilt when the motor turns?

Want your house to do two things at once? Use the second wand to start a second stack of blocks

More Things To Try

Make a Haunted House

What if your Dream House turned into a nightmare?
How could you scare visitors when they come to your door?

You can add lights, motors, and sounds
